Workshops with internationally acclaimed dancemaster **Ronan Eastwood** throughout the weekend. Ronan has been set dancing for over 30 years & developed his love of dancing from his parents & 10 sisters & 4 brothers. Ronan has represented his Gaelic Club in the all-Ireland Scór on a number of occasions & was taught many of the dances by the legendary Connie Ryan, as well as Joe & Siobhan O'Donovan. He has been teaching around Belfast for over 25 years.

BIOS

áthas lights the dance floor on fire with a combination of traditional and newly composed Irish music. Fierce fiddle, driving bodhrán, and funky guitar riffs come together to lift dancers' feet, drinks, and spirits.

STEAM & Friends features Jeff Lindblade and friends. The musicians are all multi-instrumentalists, and regulars in the Chicago Irish session scene. We're excited to welcome this new blend of musicians to keep your feet going on Saturday evening!

The Cosmic Otters make people dance. They perform tunes from Ireland and the British Isles. Starting with a solid rhythmic foundation of guitar and piano, they add inventive fiddle harmonies, and finish with juicy pulsing accordian playing and tasteful percussion.
